

# Get a Grip

We have a wide range of all of the latest grips, which we can fit to your existing clubs. You may need extra thick grips, smaller, midsize or standard thicknesses. We can fit whatever you need.

## **Putter grips**

Most top players use thicker putter grips, giving more stability through the stroke and better results on the greens.

Super Stroke are the leading grip manufacturer and we stock the complete range - more details in reception.

Give your clubs a new lease of life with new grips and improve your golf today.
